New Adult Sunday School Class Begins Next Week, April 16

A new Sunday School opportunity will begin on April 16th. We will spend six weeks exploring the Apostle's Creed that we affirm each week. Using Adam Hamilton's study, "Creed", we will consider what we believe and why. Through the course of the study, we will explore our beliefs regarding God, Jesus Christ, the Holy Spirit, the Church and the communion of saints, the forgiveness of sins, and the Resurrection of the body. If you are not part of a Sunday School Class or study, join us in the Fellowship Hall. The study will begin around 10:10 each week.

New Sermon Series

Join us for the next few Sundays as we begin our new sermon series called, Humanity's Healing.

Church Work Day, April 22 Bring work gloves and any yard tools you prefer and join us for a morning planting and cleaning outside. (9am to Noon)
